## JESUS WALKS

Immersive Discipleship

---

Go beyond the classroom and the sanctuary for an immersive, life-on-life discipleship experience where the wisdom of Jesus meets nature's beauty.

**MAINSTREET**  
COVENANT CHURCH

**“I can’t think of a better way to pastor the next generation than to take a few eager learners on long, liesurely walks together talking about the wisdom of Jesus and what it means to be a Kingdom apprentice in today’s world. My hope for these Jesus Walks is that we will feel much like the original Twelve—overwhelmed with gratitude to be walking in His presence, listening for His Voice, and pondering his teachings in settings that bring spiritual truths alive in a fresh and powerful way.”**

—Pastor Jeremy

## IMAGINE MORNING WALKS WITH JESUS...

Join Pastor Jeremy for a series of Jesus Walks in strategic locations and inspiring settings that let nature amplify some of Jesus’ essential teachings. We will discuss worry among the wildflowers, being God’s masterpieces in a sculpture garden, God’s grace among the grazing sheep, navigating faith and doubt on a boat excursion on Lake Minnetonka, and more! Come and see!

### LOCATIONS & TOPICS:

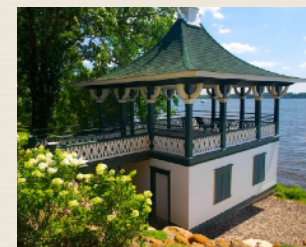

Gale Woods Farm provides wooded walking trails, rolling pastures, lakeviews, and an active farm with sheep, cattle, chickens and more to reflect upon.

Big Stone Sculpture Gardens is the perfect place to reflect on our true identity and what it means to be God’s masterpieces in the making.

Our Lake Minnetonka boat adventure takes us to Goose Island where we’ll share a picnic and talk about fish and nets and walking on water along the way.

Noerenberg Gardens places us among the birds and wild flowers to reflect on Jesus’ teachings about anxiety and God’s abundant provision.
