JEREMY BERG

Jeremy is spreading faith, hope, and love across the Twin Cities with his music covering golden oldies, 60s folk rock, classic country, and more. Jeremy's one-man-band style utilizes foot percussion, harmonica, strumming and singing that fills a room with the sound of a full band. Jeremy's most popular show is his oldies mix, but he enjoys creating theme shows such as his Bob Dylan tribute, Classic Country Hits, Diamond Cat, and Christmas show. His talented kids occasionally join him as a special treat!
